James 2:14-26

# Faith

# Works

“Please take note that faith and works are contrasted. In other words, we are saved by faith ‘not by works’ and ‘apart from works,’ etc. The point is that there are only two options. We are saved by faith alone, or we are not. Since we have faith and works (both conceptually and in practice), then we are either saved by faith alone or by faith and works. There is no other option. If we see that the scriptures exclude works in any form as a means of our salvation, then logically, we are saved by faith alone.”

*“Works follow true faith and demonstrate that faith to our fellow man but not to God. James writes of Abraham and Rahab as examples of people who demonstrated their faith by their deeds.”*
