Bear
Your Own
Burden
Gal. 6:5

I will not be judged on the basis of how well this congregation as a whole is working in the kingdom.

The dangerous “passenger train” concept of the church:

Bear
Your Own
Burden
Gal. 6:5

I will not be judged on the basis
of how well this congregation
as a whole is working in the
kingdom.

The correct “kayak team” concept
of the church:

Bear
Your Own
Burden
Gal. 6:5

I will not be judged on the basis of how well this congregation as a whole is working in the kingdom.

No matter the success of the local church, if you are not bearing your load, you will not go to heaven.

I will not be judged based on how bad a job my parents did, or how badly society, the church leaders, the church hypocrites, or anyone else treated me.
